

# STRONGER CONTRACT FOR A STRONGER COMMUNITY

# Update

## Eleventh meeting with the employers

Our Unity team met with the employers again this week and over the course of two days the employers managed to do two whole things:

1. request that we reiterate our proposals
2. provide us with their latest dystopian proposal, along with a statement saying that they don't plan to respond to our wage proposal unless we "get in the same ballpark" as they are. (That "ballpark," as far as we can tell, would be the one where they give insultingly inadequate increases that would cause us to slip further and further behind.)

Your Unity Negotiations Committee insisted on keeping your interests front and center. We reiterated our proposals and the need for substantial wage increases in order to afford to live in the communities

these employers profit from.

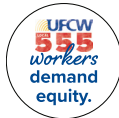

The latest disingenuous employer proposal would transfer nearly \$150M from your health and welfare fund into their pockets...in exchange for nickels and dimes for us.

The employers' position is disconnected, disrespectful, and completely and utterly despicable.

If there ever was a time to stand together in unity and demand respect and equity, NOW IS THAT TIME.

It is critical that you attend your contract's strike vote authorization meeting (see back page). Our strong "YES" vote will tell the employers in a way they can understand: **we will not give up.**

The next bargaining dates have not yet been agreed upon.

# WAGE PETITION UPDATE

Wage petitions have now been submitted to nearly all Fred Meyer, Safeway, and Albertsons' stores across Oregon and SW Washington. See pages 4A-7A for pictures, pictures, and more pictures of these actions. *And, turn to the back page for more details on the next step: strike vote authorization meetings.*

# The **FIGHT** for Equity continues

Safeway and Albertsons members have been signing petitions stating, "We, the undersigned, are prepared to do whatever it takes to get an equitable wage increase that makes it possible for us to live in our communities and buy groceries at our stores." Those petitions are being collected and hand-delivered by members to store management.

Just as we saw at Fred Meyer, the response thus far has been amazing, with an impressive number of managers agreeing with our position.

## STRIKE VOTE AUTHORIZATION MEETINGS

We've been negotiating since June of last year and our employers are simply refusing to meet us where we're at concerning the need for equitable and significant wage increases. It's time to speak to them in a language they will understand: a strike vote. All members affected by Unity Bargaining contract negotiations will get official notice 2 weeks in advance of strike vote meetings via a postcard in the mail. Long before that, you will also receive notification via flyers and word-of-mouth in your stores, email (if we have your email on file), and social media. If we have your cell phone on file, you may also expect a confirmation text the week before your meeting. By the time of the writing of this article, all PDX-area contract members had already been notified, or, in the case of the meat contract, held their meeting.

The meeting schedule is as follows:

All times and locations for July and August to be announced soon. Watch your bulletin boards in the stores, watch your email, stay in touch with your Union Rep and Steward. Everyone has many, many questions surrounding a strike and the time to ask those questions is at your local meeting, where you can query your contract specifically as well as consider your own region's needs. Votes will be aggregated with all CCK, Grocery, Meat, and Non-Foods contracts with Albertsons, Fred Meyer, QFC, and Safeway in the UFCW Local 555 jurisdiction.

We will stand strong, together.

All votes outside of the PDX area will be held together: meat, grocery, non-foods, CCK, for Fred Meyer (Kroger), Safeway, Albertsons, and QFC.
